Headline:
Some overnight fog patches, and cloudy for most by morning.

This Evening and Tonight:
Dry with clear spells at first this evening, with mist and fog patches developing where skies stay clear. Turning cloudy from the north and west by morning, with the odd spot of drizzle possible. Minimum temperature 7 deg C (45 deg F).

Sunday:
A generally grey and cloudy morning with some patchy light drizzle at times. Becoming drier, brighter and fresher in the afternoon, with some sunny spells developing. Maximum temperature 18 deg C (64 deg F).

Outlook for Monday to Wednesday:
Plenty of dry weather through the period, with winds remaining light. Temperatures should be close to average, albeit with some cooler nights than of late.
